

**Northeast  
Utilities System®**

## **Officer Profile**

---

### ***PAUL E. RAMSEY***

*Paul E. Ramsey* is Vice President – Energy Delivery for PSNH, a subsidiary of the Northeast Utilities System (NU). Ramsey is responsible for oversight of planning, engineering, construction and maintenance of PSNH's over 14,000 miles of electrical distribution system.

A New Hampshire native, Ramsey had previously led the customer service operations at PSNH as a Vice President for the company, where he was also responsible for Marketing, Economic Development, Conservation and Load Management, Facilities, Security, and Meter Reading. In his 33 years with PSNH, Ramsey gained significant experience working directly with customers and state regulators. In 2006, he took on a leadership role in NU's large-scale, companywide Customer Services Integration project, including the implementation of a new customer information system for NU's 2.1 million customers. He has testified at the New Hampshire Public Utilities Commission and the Connecticut Department of Public Utility Control. He assumed his current title and position in January, 2009.

Ramsey graduated from the University of New Hampshire with a Bachelor of Science degree in Business. He earned a master's degree in Business Administration from Southern New Hampshire University.

Ramsey is currently vice chairman of the board of directors of the Granite State Credit Union, treasurer of Neighbor Helping Neighbor, and a member of the board of directors of the New Hampshire Institute of Art and the New Hampshire Lodging & Restaurant Association. He is a graduate of Leadership Greater Manchester and Leadership New Hampshire Class of 1999. Ramsey is also a VIP volunteer for Easter Seals New Hampshire and serves on the New Hampshire 2-1-1 Advisory Council.
